Key Contact Sign-Up Sheet

Your help in ensuring that every legislator in the State of California knows a physical therapist will make a huge difference in our efforts to promote physical therapy in California. Our goal is to identify a key contact for every Senate and Assembly District in the state, which is a total of 120 dedicated professionals like you. We are asking that, as a Key Contact, you make contact with your Senator and Assembly Member at their district office to schedule an appointment with him or her, or with the staff person who handles health issues. Do not feel slighted if your appointment is with staff, rather than with your Legislator. This can be a good thing as often times staff members are able to spend more time with you and they advise the legislators on the issues.

In order to maximize the impact of every PAC dollar contributed to a Legislator, attendance at fundraisers by constituents in the Legislator's home district seems to be more effective than attendance at fundraisers in Sacramento; therefore, as a Key Contact, you may be asked to attend fundraisers for your Legislator in your district. The CAL-PT-PAC will provide the contribution to get you in the door. All you have to do is show-up, eat, drink and mingle.

If you are interested in becoming a Key Contact, please complete this form and fax it to the CPTA Office at (916) 646-5960. If you have questions about the program, please contact Tameka Island at (916) 929-2782 or by email at tisland@ccapta.org
