

What is a CAL-PT-PAC Grizzly?

Many of our donors give above and beyond the \$500 minimum each year. For these individuals we have a category called “Grizzly”. A Grizzly is an individual who has donated at least one thousand unencumbered dollars (donations that are not in accordance with raffles, dinners, sporting events, etc.) to the CAL-PT-PAC fund in a calendar year.

Grizzlies are investing in the future of their profession by ensuring that money and resources are available to fight for the protection of the way that we practice physical therapy. The money that is raised for the CAL-PT-PAC is used to support legislators and candidates who have shown their support for physical therapy. Grizzlies make this commitment because they realize the impact that the political process has on our profession.

As a Grizzly you will receive the following benefits: a special and unique Grizzly pin, recognition in our statewide newsletter PT Interventions, acknowledgement at our annual CAL-PT-PAC dinner, and a free ticket to our annual CAL-PT-PAC dinner (\$100 value).

For your convenience, you may automatically have four equal payments totaling \$1000 charged to your credit card. If paying by check, amount must be paid in full (no installments).
