

What is a PAC Cub?

This year the CAL-PT-PAC started a new program for students. It's called the "PAC CUB." It allows you as a student to be recognized for your contributions to the CAL-PT-PAC.

As you know one of the most vital roles of your CAL-PT-PAC is to educate current legislators of the importance of our profession. By educating policy makers on the benefits of Physical Therapy, they are able to make more informed decisions on how best to serve the public. Another important function of your CAL-PT-PAC is to support those legislators who understand and support our profession. There are many policy makers who have seen the benefits, either first hand or through the experience of a family member that physical therapy provides. Supporting incumbents and candidates will help make sure we have as many physical therapy advocates in Sacramento as possible.

To become a PAC CUB you need to contribute at least \$20 in a calendar year. You will receive a thank you letter and a CAL-PT-PAC PAC Cub pin (which is great to wear to show your support of the CAL-PT-PAC). Your name will also be published on the CPTA website.

Show your professors, classmates, and clinical instructors that you are aware and concerned about political issues that involve physical therapy and are willing to put in a little more to help that cause.
